*Bell'O International Corp. will not be responsible for failure to assemble as directed or for the improper assembly, use or handling of this stand.*

---

### FOR YOUR SAFETY, PLEASE FOLLOW THESE PRECAUTIONS:

- Always remove the TV and other equipment from the furniture prior to moving the assembled unit.
- Be careful when moving the assembled furniture after the glass shelves have been installed, as this may cause the shelves to become unsecured and fall.
- When in use, this furniture must be placed on a flat, solid and level surface.
- Do not lean on the TV when it is on the TV stand.
- Do not climb or step on the stand.
- Do not bang into or place your own weight on any glass shelf.
- Do not place items on the shelves which exceed the maximum weight limits of 125 lbs. for television, and 50 lbs. each for middle and lower glass shelves.
Assembly Instructions

NOTE: TWO PEOPLE ARE RECOMMENDED TO ASSEMBLE THIS TABLE.

A. **PLACE** the Bottom Shelf Frame (C) on the floor upside-down, with the four holes in the frame bottom facing upward. This shelf frame is the same size as the top shelf frame, but has four holes in the underside of the frame and four holes in each of the rear side bars.

B. **SCREW** the four longer shaft Adjustable Leveling Feet (1) into the Shelf Frame (C) as shown.

C. **PLACE** the Flat Panel Mounting System Post (A) upright as shown. Working from the rear, **PLACE** the Right Stabilizing Bracket (D) up against the rear of the Mounting System Post's base as shown in Fig. 2A, and place the Left Stabilizing Bracket (E) up against the rear of the Mounting System Post's base as shown.

D. **SECURE** the Bottom Shelf Frame (C) to the Mounting System Post (A) using four 60mm Bolts (2) as shown in Fig. 2B. Tighten fully using the supplied Allen wrench.

E. **SECURE** the Top Shelf Frame (B) to the Mounting System Post (A) using four 60mm Bolts (4) as shown in Fig. 2A. Tighten fully using the supplied Allen wrench. **NOTE:** The top shelf frame is the same size as the bottom shelf frame, but does not have the four holes in the bottom of the shelf or four holes in each of the rear side bars.

F. **SCREW** the four Adjustable Feet (3) into the holes located on the bottom of the Left & Right Stabilizing Brackets (D & E) and ensure that the preassembled unit is level on floor. Move the stand to the location it will occupy when fully assembled and in use.
G. **PLACE** five Glass Pads (7) onto the Bottom Shelf Frame (C). (Place three glass pads along the front, and two along the rear of the Frame as shown in Fig. 3). **PLACE** the remaining two Glass Pads on the rear of the Top Shelf Frame (B).

H. **CAREFULLY PLACE** the Bottom Glass Shelf (I) onto the Bottom Shelf Frame (C) and **SLIDE** the edge with the hole through the slot in the CMS® panel.

I. **CAREFULLY PLACE** the Top Glass Shelf (H), onto the top shelf frame (B) and **SLIDE** the edge with the hole through the slot in the curved CMS® panel.

**NOTE:** Three Adjustable Glass Levelers are preinstalled in the Top Shelf Frame (B). It is important that these are properly adjusted to support the Top Glass Shelf (H) and to keep it level. **TURN** each Adjustable Glass Leveler clockwise or counter-clockwise to adjust. **ALWAYS MAKE SURE THE TOP GLASS SHELF IS LEVEL BEFORE PLACING ANY ITEMS ON IT.**
J. Working from the rear of the assembly, **PLACE** two plastic T-Pins (6) through the rear holes in the two Glass Shelves to help prevent the shelves from falling out of place.

K. **INSERT** the two CMS® (Cable Management System) Covers (J) into the vertical slots located in the rear of the Flat Panel Mounting System Post (A). You can easily manage and hide the unsightly wires and cables of the TV and other A/V components by removing these covers, running the cables, then re-attaching the covers.

**NOTE:** Use the Adjustable Feet (1 and 3) to ensure that the furniture is level on the floor before attempting to mount the television.
Mounting the Television

NOTE: TWO PEOPLE ARE RECOMMENDED TO MOUNT THE TV TO THE STAND

Fig. 5

L. **CHOOSE** the correct size Flat Panel TV Mounting Bars (F or G) that BEST FITS THE SIZE OF YOUR TV. Two sizes of Mounting Bars (27" & 32") have been provided.

M. With the screw posts of the Top Mounting Bar (F) facing away from the TV, **CENTER** and **ALIGN** the Mounting Bar with the upper mounting holes on the rear of your TV. **SECURE** the Bar to the TV using the screws that were included with your TV. If you do not have these screws, there is an assortment of common sizes included with this Flat Panel Mounting System. Use a washer and the proper screws as shown in Fig. 5.

N. **REPEAT** this procedure for the same size Bottom Mounting Bar (G). **TIGHTEN FULLY BUT DO NOT OVERTIGHTEN.**

**NOTE:** IF THE TV BACK IS NOT FLAT YOU MAY HAVE TO USE A LONGER SCREW ALONG WITH THE **SPACERS** THAT ARE ALSO INCLUDED WITH THE HARDWARE.

O. Two Round Nuts (5) have been preinstalled to the two extending bolts in the TOP Mounting Bar (F). Make sure they are only screwed on about half way at this point. This step ensures a safe and easy TV installation later.

P. USING TWO PEOPLE, **HOLD** the TV with the attached Mounting Bars (F or G) up to the assembled Flat Panel Mounting System to the approximate height location where you want the TV to be mounted to determine the desired location of the Top and Bottom Mounting Brackets, which came preinstalled on the Flat Panel Mounting System Post (A). If necessary, adjust the positions of these Brackets using one of the supplied Allen Key Tools.
Q. USING TWO PEOPLE TO HOLD THE TV, INSERT the TOP Mounting Bar (F) into the desired keyholes located in the TOP Bracket of the Flat Panel Mounting System Post (A) as shown in Fig. 6.

R. INSERT the extending bolts of the BOTTOM Mounting Bar (G) in the BOTTOM Bracket slots as shown in Fig. 6 and SECURE by tightening all Round Nuts (5) by hand.
One (1) Year Limited Warranty

All Bell'O International products are warranted, with the exception of glass, to the original purchaser at the time of purchase and for a period of one (1) year thereafter. Glass is warranted to the original purchaser at the time of purchase and for a period of thirty (30) days thereafter. Warranty is only valid in the United States of America.

In order to provide you with timely assistance, please thoroughly inspect your furniture for missing or defective parts immediately after opening the carton. To receive replacement or missing part(s) under this warranty, go to our website at www.bello.com or call our Customer Service Department at 1-888-235-7646. Please have the model number and part number(s) for reference. You will also need your sales receipt or other proof of purchase. Replacement part(s) will be shipped to you at no charge with Bell'O International assuming all shipping and handling expense.

We warrant to you, the original purchaser, that our furniture and all of its parts and components are free of defects in material or workmanship. ‘Defects’, as used in this warranty, is defined as any imperfections that impair the use of the furniture or product.

Our warranty is expressly limited to the replacement of furniture parts and components. For one (1) year after the date of purchase, Bell'O International will replace any part described on the enclosed furniture parts list that is defective in material or workmanship.

This warranty applies under conditions of normal use. Our furniture products are not intended for outdoor use. The warranty does not cover: 1) defects caused by improper assembly or disassembly; 2) defects caused by shipping, claims for damage during transit to you should be placed immediately by you to the transportation company; 3) defects occurring after purchase due to product modification, intentional damage, accident, misuse, abuse, negligence or exposure to the elements; 4) cosmetic damage and 5) labor or assembly costs.

There are no warranties, express or implied, including without limitation merchantability or fitness for particular use, except as (i) contained herein or (ii) required by applicable law in the state whose law governs (which shall be New Jersey absent controlling law imposing the law of another state in lieu thereof as governing law). All warranties of whatsoever derivation shall be limited to the term set forth above, unless otherwise required by applicable law.

Manufacturer’s employees or representatives’ … ORAL OR OTHER WRITTEN STATEMENTS DO NOT CONSTITUTE WARRANTIES, shall not be relied upon by Buyer, and are not a part of the contract for sale or this limited warranty.

Except as provided herein, Bell’O International shall have no liability or responsibility to the purchaser or any other person or entity with respect to any liability, loss or damage caused directly or indirectly by use of the product, including, but not limited to, any incidental or consequential damages. Some states do not allow limitation on how long an implied warranty can last or the exclusion of limitation of incidental or consequential damages, so the above limitation and exclusion may not apply to you.

This warranty gives you specific legal rights. You may also have other rights, which vary from state to state.
