Welcome to your new Smart TV!
The following instructions cover assembling, connecting, and setting up your new TV. Make sure you have the accessories listed below.

**Included in this box**

<table>
<thead>
<tr>
<th>Remote Control</th>
<th>Stand Parts and Cables</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Cable manager</td>
</tr>
<tr>
<td></td>
<td>Stand Mount</td>
</tr>
<tr>
<td></td>
<td>Power Cord</td>
</tr>
<tr>
<td></td>
<td>IR extender</td>
</tr>
<tr>
<td></td>
<td>Wall mount adapter (46 inch and above)</td>
</tr>
<tr>
<td></td>
<td>Batteries (AAA x 2)</td>
</tr>
</tbody>
</table>

Also included: Cleaning Cloth, User Manual

---

**Step 1  Attach the TV to the Stand**

1. Lay the TV on a soft surface, screen side down. Use the packing material to protect the screen.

2. Put a base and screws off to assemble the stand out of the box.
   - **Screws**
     - 32 inch models: 7EA
     - 40 inch and above models: 8EA

3. Fit the stand and mount together, making sure the notch on the mount aligns with the stand.

4. Insert 4 screws and secure the stand to the mount:
   - x4 (M4 X L12) 32" ~ 55"
   - x4 (M4 X L12) 60" ~ 65"

5. Holding the stand parallel to the screen, slide the stand into the notches on the back of the TV.

6. Insert 4 screws and secure the stand to the TV:
   - x3 (M4 X L12) 32"
   - x4 (M4 X L12) 40" ~ 55"
   - x4 (M4 X L10) 60" ~ 65"

---

**Warning:** Screens can be damaged from direct pressure when handled incorrectly. We recommend lifting the TV by the edges, as shown.

---

**REQUIRED TOOLS:** a Phillips head screwdriver and a soft, flat surface larger than the TV (such as the box).
Step 2  Connect video devices

We suggest using HDMI connections whenever possible for the best picture quality.

The displayed image may differ depending on the model.

USB Connections
You can connect USB storage devices to the USB jacks and enjoy personal photos, videos, and music.

Best Connection : HDMI
We suggest using HDMI whenever possible.
HDMI 1 is the default port for a cable or satellite set-top box.
Use the other ports for Blu-ray players, game consoles, and other devices.

Connect the IR extender to the IR Out port to control external devices connected to the TV using the Smart Touch Control. For more detailed information, refer to the "Universal Remote Control Setup" section on the User manual.

Connect the cable from the antenna or cable TV outlet.

HDMI Cable

Step 3  Insert the batteries into the remote control

Make sure you have the correct cable before plugging it in. Illustrations of common plugs and jacks are shown below.

Cable Plugs  Ports / Jacks
HDMI  USB  Optical

Warning
Do not plug cables in upside down.
Be sure to check the orientation of the plug before plugging it in.

Step 4  Power on and start the initial setup

Information required:
• Wi-Fi network password (if you use one)
• Zip code
• Cable or satellite provider info

The TV must be connected to the Internet to use the Smart Features. If you have a wireless network, we recommend that you confirm that your network router is switched on and working before you start the initial setup. If you have a wired network, we recommend that you connect the TV to the network with a CAT 7 cable before you begin.

Power on to start the initial setup.

Connect to your network (wired or wireless)
Search for channels from your TV service provider

After you have finished the initial setup, you can configure the universal remote control settings. These settings let the Smart Touch remote control external devices connected to the TV, such as a set-top box or Blu-ray player.

Congratulations on your new Smart TV!

Troubleshooting

The stand is wobbly or crooked
Make sure the arrows on the stand are properly aligned.

The TV won’t turn on
Make sure all cables are fully inserted, and that the remote has batteries installed.

My remote, gesture, or voice controls don't work
The TV ships with protective stickers covering some of the sensors. Make sure all of them have been removed.

I have extra parts
The TV includes some optional parts to help with wall mounting and cable routing.

If you experience issues, please do not take the TV back to the store.
