

You just got the best gaming monitor available.

Now set yourself up for immersive 3D gaming.

This high-performance monitor is controlled through the included dual-link DVI cable, so there is no OSD on this display.

GEFORCE
3D VISION
— READY —
NVIDIA

Here's what you need to get started:*

1.

Get your **NVIDIA GeForce® 3D Vision™** Kit that includes the wireless 3D glasses and transmitter.

2.

Ensure you have a compatible **NVIDIA GeForce 8 series (GeForce 8800 GT or higher), 9 series (GeForce 9600 GT or higher) or GTX 200 series GPU.**

3.

DVI-D cable included in this box allows you to connect directly from your computer or game console.

*GeForce 3D Vision also requires Microsoft® Windows® Vista 32-bit or 64-bit and supported Microsoft DirectX® 7, 8, 9 or 10 game. Visit www.nvidia.com/get3D for a complete list of supported games.
