FULL USER MANUAL AVAILABLE AT VIZIO.COM
IMPORTANT SAFETY INSTRUCTIONS

Your TV is designed and manufactured to operate within defined design limits. Misuse may result in electric shock or fire. To prevent your TV from being damaged, the following instructions should be observed for the installation, use, and maintenance of your TV. Read the following safety instructions before operating your TV. Keep these instructions in a safe place for future reference.

To reduce the risk of electric shock or component damage, switch off the power before connecting other components to your TV.

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Do not use this apparatus near water.
- Clean only with a dry cloth.
- Use only attachments/accessories specified by the manufacturer.
- The mains plug or appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.
- The lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of un-isolated, dangerous voltage within the inside of your TV that may be of sufficient magnitude to constitute a risk of electric shock to persons.
- Do not overload power strips and extension cords. Overloading can result in fire or electric shock.
- The wall socket should be installed near your TV and easily accessible.
- Only power of the marked voltage can be used for your TV. Any other voltage than the specified voltage may cause fire or electric shock.
- Do not touch the power cord during lightning. To avoid electric shock, avoid handling the power cord during electrical storms.
- Unplug your TV during a lightning storm or when it will not be used for long period of time. This will protect your TV from damage due to power surges.
- Do not attempt to repair or service your TV yourself. Opening or removing the back cover may expose you to high voltages, electric shock, and other hazards. If repair is required, contact your dealer and refer all servicing to qualified service personnel.
- WARNING: Keep your TV away from moisture. Do not expose your TV to rain or moisture. If water penetrates into your TV, unplug it immediately and contact your dealer. Continuous use of your TV may result in fire or electric shock.
- Do not use your TV if any abnormality occurs. If any smoke or odor becomes apparent, unplug the power cord and contact your dealer immediately. Do not try to repair your TV yourself.
- Avoid using dropped or damaged appliances. If your TV is dropped and the housing is damaged, the internal components may function abnormally. Unplug the power cord immediately and contact your dealer for repair. Continued use of your TV may cause fire or electric shock.
- Do not install your TV near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat. Allow at least three feet between your TV and any heat source, such as a radiator, heater, oven, amplifier etc. Do not install your TV close to smoke. Operating your TV close to smoke or moisture may cause fire or electric shock.
- The performance of your TV changes substantially.
- Your TV is exposed to rain or other moisture.
- Liquid sprays or any object drops into your TV.
- Do not place your TV close to smoke. Operating your TV close to smoke or moisture may cause fire or electric shock.

The lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of un-isolated, dangerous voltage within the inside of your TV that may be of sufficient magnitude to constitute a risk of electric shock to persons.

- Do not overload power strips and extension cords. Overloading can result in fire or electric shock.
- The wall socket should be installed near your TV and easily accessible.
- Only power of the marked voltage can be used for your TV. Any other voltage than the specified voltage may cause fire or electric shock.
- Do not touch the power cord during lightning. To avoid electric shock, avoid handling the power cord during electrical storms.
- Unplug your TV during a lightning storm or when it will not be used for long period of time. This will protect your TV from damage due to power surges.
- Do not attempt to repair or service your TV yourself. Opening or removing the back cover may expose you to high voltages, electric shock, and other hazards. If repair is required, contact your dealer and refer all servicing to qualified service personnel.
- WARNING: Keep your TV away from moisture. Do not expose your TV to rain or moisture. If water penetrates into your TV, unplug the power cord and contact your dealer. Continuous use of this case may result in fire or electric shock.
- Do not use your TV if any abnormality occurs. If any smoke or odor becomes apparent, unplug the power cord and contact your dealer immediately. Do not try to repair your TV yourself.
- Avoid using dropped or damaged appliances. If your TV is dropped and the housing is damaged, the internal components may function abnormally. Unplug the power cord immediately and contact your dealer for repair. Continued use of your TV may cause fire or electric shock.
- Do not install your TV in an area with heavy dust or high humidity. Operating your TV in environments with heavy dust or high humidity may cause fire or electric shock.
- Follow instructions for moving your TV. Ensure that the power cord and any other cables are unplugged before moving your TV.
- Unplug your TV during a lightning storm or when it will not be used for long period of time. This will protect your TV from damage due to power surges.
- To reduce risk of electric shock, do not touch the connector with wet hands.
- Insert batteries in accordance with instructions. Incorrect polarities may cause the batteries to leak which can damage the remote control or injure the operator. Do not expose batteries to excessive heat such as sunshine, fire or the like.
- If any of the following occurs, contact the dealer:
  - The power cord fails or frays.
  - Liquid sprays or any object drops into your TV.
  - Your TV is exposed to rain or other moisture.
  - Your TV is dropped or damaged in any way.
  - The performance of your TV changes substantially.
- This apparatus shall not be exposed to dripping or splashing and no objects fill with liquids, such as vases, shall be placed on the apparatus.
- The mains plug or appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.
- CAUTION - These servicing instructions are for use by qualified service personnel only. To reduce the risk of electric shock, do not perform any servicing other than that contained in the operating instructions unless you are qualified to do so.
- The lightning flash with arrowhead symbol within an equilateral triangle is intended to alert the user to the presence of un-isolated, dangerous voltage within the product's enclosure that may be of sufficient magnitude to constitute a risk of electrical shock to persons.
- The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.

Display the on-screen menu.

**ARROW**
Navigate the on-screen menu.

**GUIDE**
Display the info window.

**V BUTTON**
Open the VIA dock.

**CHANNEL UP/DOWN**
Change the channel.

**LAST**
Return to the channel last viewed.

**DASH**
Use with number pad to manually enter a digital sub-channel. (For example, 18-4 or 18-5.)
USING THE REMOTE (REAR)

DO NOT COVER THIS AREA
This is the transmitter.

ARROW
Use to navigate on-screen menus.

ALT
Press and hold while pressing another key to enter a blue character. For example, press ALT and W to enter a # character.

SHIFT
Press and hold while pressing another key to enter a capital letter.

V.I.A. SHORTCUT BUTTONS
Control VIZIO Internet Apps
INSTALLING THE BASE

We recommend that you remove any protective film before assembling.

Place the TV screen-down on a clean, flat surface. To prevent scratches or damage to the screen, place the TV on a soft surface, such as carpet, rug, or blanket.

Align the base with the TV and tighten the three (3) included screws into the base with a Philips screwdriver.

Move the TV with attached stand into an upright position and place on a flat, level, and stable surface. To ensure proper ventilation, leave at least 1” of space between the back of the TV and any other objects (walls, etc).
FIRST-TIME SETUP

1. Remove the battery cover by pressing gently on the cover and sliding away from the remote.
   Insert the included batteries.
   Gently slide the battery cover back into place.

2. Connect the power cord to the back of the TV.
   Plug the power cord into an electrical outlet.
If you have an external antenna or a cable connection that extends from a wall outlet, connect it to the TV with an RF/Coaxial cable.

If you have a high-speed internet connection, connect an Ethernet cable from your modem or router to the back of the TV as shown.

Turn the TV on by pressing the **Power** button on the remote. The **Setup App** is displayed.

Use the Arrow buttons on the remote to highlight **Home Use** and press **OK**.

Use the Arrow buttons on the remote to highlight **Home Mode Setup** and press **OK**.
Use the OK and Arrow Up/Down buttons on the remote to read and accept the Terms of Service and Privacy Policy for Yahoo! TV Widgets. When you are finished, highlight Next and press OK.

Select the name of your wireless network from the list of available networks and press OK. Enter your network key using the on-screen keyboard, or the keypad on the remote control, then highlight Connect and press OK.
Select your Time Zone, then enter your First Name, Last Name, Phone Number, ZIP Code, and E-mail Address using the on-screen keyboard or the keypad on the remote control.

Highlight Next and press OK.

Answer the on-screen questions about your TV connection using the Arrow and OK buttons on the remote.

When you have finished the channel scan, highlight Exit to Live TV and press OK.

The First-Time Setup is complete.
CONNECTING YOUR DEVICES

BACK OF TV

Match colored connectors to colored ports.
Choose **ONE** connection type for each device.

(Commonly-connected devices:)

- **Game Consoles**
- **Blu-ray™ or DVD Players**
- **Cable or Satellite Boxes**

**AV CABLE**

- **GOOD**
  - ANALOG
  - SD VIDEO (480i)*
  - STEREO AUDIO

**COMPONENT CABLE**

- **BETTER**
  - ANALOG
  - HD VIDEO (1080i)*
  - STEREO AUDIO

**HDMI CABLE**

- **BEST**
  - DIGITAL
  - HD VIDEO (1080p)*
  - HD AUDIO

*(Maximum Resolution)*
Be sure your TV is connected to the Internet. Use an Ethernet cable or connect wirelessly. For the best V.I.A. experience, a high-speed Internet connection is recommended.

The V.I.A. Dock is displayed on the bottom of the screen. Use the Arrow buttons on the remote to highlight an app, then press OK to open it.
Highlight **Categories** and press **OK**.

A list of app categories is displayed. Select a category and browse through the available apps.

When you’ve found an app you want to add to the Dock, highlight **Install App** and press **OK**.

Your V.I.A. Dock has many popular apps pre-loaded, but you can add more at any time. To discover and add new apps to the Dock, open the **Connected TV Store** app.
The VIZIO Home Theater Sound Bar with Wireless Subwoofer delivers exceptional audio performance in a new sleeker, slimmer design. This powerful sound system is also remarkably versatile. Its wireless subwoofer fits nearly anywhere in your home theater up to 60 ft. away, and the sound bar offers either a table-stand or wall-mount option.

## HELP TOPICS

### How do I return to the Setup App?
- The on-screen menu has guided setup. Press **MENU**, then select **HELP > Guided Setup**. Select the type of setup you need and press **OK**. The Setup App will begin.
- To reset the TV to factory defaults, press **MENU > HELP > Reset TV Settings**. Select **Yes**. Remember that all of your settings will be lost!

### There is a picture, but there is no sound.
- Press the **VOLUME UP** button on the remote or on the side of the TV.
- Press the **MUTE** button on the remote to ensure that mute is off.
- Press **MENU**, then select **TV Settings > Audio**. Be sure TV Speakers is set to **ON**.

### How do I mount my TV to the wall?
- Place the TV face-down on a clean, flat, stable surface. Be sure the surface is clear of debris that can scratch or damage the TV.
- Remove the base by loosening and removing the screws.
- Remove the 4 pre-installed screws from the wall mount holes. See the online user manual for more information.
- Attach your TV and wall mount to the wall, carefully following the instructions that came with your mount.

### The TV displays “No Signal.”
- Be sure your connected devices are turned on.
- Press the **INPUT** button on the remote and select the input to which your device is connected (HDMI-1, Composite, Component, etc).

### There are black/gray bars on the top/bottom/sides of the screen.
- Note that some television channels add black bars to the picture.
- Set the TV to Wide or Zoom mode. Press **MENU**, then select **Wide**. Highlight **Wide** or **Zoom** and press **OK**.
- Adjust the video settings of your external device.

### There is no power.
- Be sure the power cord is securely connected to the AC socket on the TV and to a working electrical outlet.
- Press the **POWER** button on the remote or on the side of the TV.
- If the above steps do not work, try plugging the power cord into a different outlet.
FCC Class B Radio Interference Statement

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy, and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Notice

The changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

Shielded interface cables and AC power cord, if any, must be used in order to comply with the emission limits.

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modification to this equipment. It is the responsibilities of the user to correct such interference.

FCC warning

Changes or modifications not expressly approved by the party responsible for compliance with the FCC Rules could void the user’s authority to operate this equipment.

Caution

Always use an AC/DC power adapter that is properly grounded. Use the AC cords listed below for each area.

USA: UL  Germany: VDE  Japan: Electric Appliance Control Act
Canada: CSA  UK: BASE/BS
ON PARTS AND LABOR

Covers units purchased as new in United States and Puerto Rico Only.

VIZIO provides a warranty to the original purchaser of a new Product against defects in materials and workmanship for a period of one (1) year of non-commercial usage and ninety (90) days of commercial use. If a Product covered by this warranty is determined to be defective within the warranty period, VIZIO will either repair or replace the Product at its sole option and discretion.

To obtain warranty service, contact VIZIO Technical Support via e-mail: TechSupport@VIZIO.com or via phone at 877 MY VIZIO (877.698.4946) from 5:00AM to 9:00PM Monday through Friday and 8:00AM to 4:00PM Saturday and Sunday, Pacific Time, or visit www.VIZIO.com. PRE-AUTHORIZATION MUST BE OBTAINED BEFORE SENDING ANY PRODUCT TO A VIZIO SERVICE CENTER. Proof of purchase in the form of a purchase receipt or copy thereof is required to show that a Product is within the warranty period.

Parts and Labor

There will be no charge for parts or labor during the warranty period. Replacement parts and Products may be new or recertified at VIZIO’s option and sole discretion. Replacement parts and Products are warranted for the remaining portion of the original warranty or for ninety (90) days from warranty service or replacement, whichever is greater.

Type of Service

Defective Products must be sent to a VIZIO service center to obtain warranty service. VIZIO is not responsible for transportation costs to the service center, but VIZIO will cover return shipping to the customer. PRE-AUTHORIZATION IS REQUIRED BEFORE SENDING ANY PRODUCT TO A VIZIO SERVICE CENTER FOR WARRANTY SERVICE.

Product returns to VIZIO’s service centers must utilize either the original carton box and shipping material or packaging that affords an equal degree of protection. VIZIO Technical Support will provide instructions for packing and shipping the covered Product to the VIZIO service center.

Limitations and Exclusions

VIZIO’s one-year limited warranty only covers defects in materials and workmanship. This warranty does not cover, for example: cosmetic damage, normal wear and tear, improper operation, improper voltage supply or power surges, signal issues, damages from shipping, acts of God, any type of customer misuse, modifications or adjustments, as well as installation and set-up issues or any repairs attempted by anyone other than by a VIZIO authorized service center. Products with unreadable or removed serial numbers, or requiring routine maintenance are not covered. This one year limited warranty does not cover Products sold “AS IS”, “FACTORY RECERTIFIED”, or by a non-authorized reseller.

THERE ARE NO EXPRESS WARRANTIES OTHER THAN THOSE LISTED OR DESCRIBED ABOVE. ANY IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, SHALL BE LIMITED IN DURATION TO THE PERIOD OF TIME SET FORTH ABOVE. VIZIO’S TOTAL LIABILITY FOR ANY AND ALL LOSSES AND DAMAGES RESULTING FROM ANY CAUSE WHATSOEVER INCLUDING VIZIO’S NEGLIGENCE, ALLEGED DAMAGE, OR DEFECTIVE GOODS, WHETHER SUCH DEFECTS ARE DISCOVERABLE OR LATENT, SHALL IN NO EVENT EXCEED THE PURCHASE PRICE OF THE PRODUCT. VIZIO SHALL NOT BE RESPONSIBLE FOR LOSS OF USE, LOSS OF INFORMATION OR DATA, COMMERCIAL LOSS, LOST REVENUE OR LOST PROFITS, OR OTHER INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS OR THE EXCLUSION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE. THIS WARRANTY IS SUBJECT TO CHANGE WITHOUT NOTICE.

CHECK WWW.VIZIO.COM FOR THE MOST CURRENT VERSION.

Personal Data

If your VIZIO product is capable of storing personal data and other information, ALL CONTENTS AND INFORMATION WILL BE DELETED IN THE COURSE OF SOME IN-HOME AND ALL SHIP-IN WARANTY SERVICE. If this occurs, your product will be restored to you configured as originally purchased. You will be responsible for restoring all applicable data and passwords. Recovery and reinstallation of user data is not covered under this Limited Warranty. In order to protect your personal information, VIZIO recommends that you always clear all personal information from the unit before it is serviced, regardless of the servicer.

Zero Bright Pixel Defect Guarantee

This policy covers “zero bright pixel” defects for the duration of the limited “ONE YEAR WARRANTY” on select new product purchases. To determine if this guarantee applies to your product, refer to the “DETAILS” tab of the model's product information page (www.VIZIO.com) or look for the “zero bright pixel” guarantee on the box.
